

TRANSFORMING AIR PURIFICATION

# pureAir 50

## pureAir 50

Reduce annoying odors with pureAir 50, a plug-in air purifier for your bedrooms, bathrooms, offices, or other small spaces.

We measure success in microns.

Odors caused by bacteria, pets, cigarette smoke, mold, and mildew are all reduced with the effective purifying combination of activated oxygen and ionization.

The solution for stale, stinky air pollution is just an outlet away! Simply plug it in and turn the dial to your desired level of purification.
