

pureAir
501

pureAir **501** transforms your room into a continuously fresh and clean environment, removing airborne pollutants.

Transform Your Indoor Air Quality

Using advanced technologies including activated oxygen (ozone), ionization, and a HEPA carbon filter, pureAir 501 significantly reduces odors caused by bacteria, mold

and mildew, as well as other allergens and odors, including those from pets, cooking, and smoking. A small, sleek design makes it an elegant addition to any space.
